Directions From I-75

Take Exit 134 - LaFollette (Cove Lake State Park)

Follow Route 63 East for about 15 miles. (You go through the old town of LaFollette) You will pass the newer US Post office on your left and then a new brick Food Lion Grocery Store on your left as well. Once you pass the Food Lion on the left, the road will drop to a single lane and you will take Middlesboro Rd on the right (It has a turn off lane to the right).

Take Middlesboro Rd to the second road on the left called Carr-Wynn Rd about a quarter mile, which may not have a sign but has a bunch of blue signs on the corner of it. (Davis Chapel is the first road on your right). Continue roughly three miles on Carr-Wynn---it will dead end back into Davis Chapel Rd. and you will see a big white Community Center on your left---Take a left on Davis Chapel down a little s-curve rd and Ivey Hollow Rd will be the first road on your right (Cedar house with a Red tin Roof is on the corner). Take a right up and over onto Ivey Hollow about 1 mile to Lakeside Estates on your left up Waterfront trails Rd. You will see the Lakeside Estates sign and the road goes up a hill to the set of gates. Enter the gate code of *7878 to get into the development.

Continue through the gates and follow the road (Waterfront Trails) ---(the road forks off a few times---you want to bear right at all times) --- follow the road past the overflow parking and pool until you drop down a steep hill and start to see the water and homes. Bridgeview will be the first road on your right and Blue Water Ln. will be the second street on your right. Turn Down Bluewater and look for the house name on the front of each home. Lakeside Latitude will be 2-3 homes on your right and Rocky-Top and Lakeside Lounge will be at the very end of the street.
